

## Sue Palazzo,

Candidate CUSD Board of Trustees (2nd District)

*“I have personally visited almost every school in CUSD, and I have seen the unsafe and unsanitary conditions at many of our schools. We can do far better! I believe all students and all teachers at every school deserve a clean, safe and sanitary classroom.”*

Sue Palazzo, “P.M. Reform Slate Candidate” (CUSD 2nd District)

Sue Palazzo has been a public school teacher in Southern California for more than 30 years – spending the last 21 years as a substitute teacher in Capistrano Unified. Having dedicated her entire professional career as a public school teacher, Sue is a staunch supporter of public education.

Sue is a well-known and well-respected critic of the current CUSD leadership. She played a key role in the original 2005 CUSD Recall campaign and has continued to support the on-going community campaign to restore honesty, integrity and accountability to the CUSD Board of Trustees and administration.

In addition to teaching, Sue has been a real estate property manager for more than 30 years. In that capacity, she has developed significant knowledge and experience in facilities maintenance, code compliance and real estate accounting.

Sue earned a B.A. in Sociology, a Standard Life Teaching Credential in Education and a M.A. in Elementary Education from the California State University at Los Angeles.

Sue has been married to her husband and college sweetheart Richard for 38 years. Together, they have lived within the Capistrano Unified School District for more than 25 years. They have three sons who all graduated from CUSD’s San Clemente High School – and then from Cal Poly San Luis Obispo. As a member of the Academic Booster Club, Sue was the chairperson in charge of computerizing the entire high school library collection at CUSD’s San Clemente High School.

Sue served for more than five years as President of her local homeowners association. In that capacity, Sue worked closely with property owners, code enforcement officers and local police to improve the safety and enhance the residents’ pride in their community.

The Palazzo family attends church at the Mission Church at San Juan Capistrano.

*“With new, energetic, honest and fiscally conservative leaders, CUSD can be the very best school district in the State of California.”*
